BREEDER/FARMER

NIKKI TAYLOR, MOSSHALL RED ANGUS

"Mosshall Red Evolution P353 was a standout calf from birth with fantastic growth, easy fleshing and boasts an excellent temperament. This super stylish bull displays excellent breed character with great conformation and a deep loin. Evolution's sire Lazy MC Cowboy Cut 26U has claimed many titles in Canada and has proved his transmitting ability with progeny excelling both in the ring and in sales. The dam of Evolution, sired by Red DMM Traction 98R hails from Red Sten Essence 42G, quite possibly one of the best Red Angus cows in North America with more than \$500,000 worth of progeny sales and numerous showing awards"
